

Niwot High School and St. Vrain Valley School District

Permission Form to Leave School Grounds for Concurrent Education, Time and/or Lunch Release.

Middle, middle/senior and senior high schools in the St. Vrain Valley School District are designated closed campuses for the **2020-2021** school year. With the increase in student automobile traffic, motorcycle and auto collisions (especially at the high school level), a disregard for promptness in returning to classes (especially after lunch) and an increased potential for litigation, it has become necessary to request parental/guardian permission for authorizing your student to leave campus for lunch or work or outside classes such as CDC or Concurrent enrollment. Students who leave campus during lunch or other times, and who do **NOT** have a signed permission form on file, will be in violation of school rules and subject to disciplinary action.

UPON COMPLETION AND SUBMISSION OF THIS FORM, THE UNDERSIGNED STUDENT WILL BE PERMITTED TO LEAVE CAMPUS FOR THE FOLLOWING AUTHORIZED PURPOSES.

Parent/Guardian, please check only those that apply and authorize with a signature for each.

We, the parents or legal guardians, understand that the above-named student does not have authorization to leave the school grounds without our permission unless it is identified above. Our student may not leave prior to the scheduled block or lunch period and they must return prior to the beginning of his/her next scheduled block. (Failure to comply will result in unexcused absences and/or forfeiture of this privilege).

We further understand that the student's participation in this privilege is voluntary and only allowed by parent/guardian consent and is not encouraged or required by either the above-named school or the St. Vrain Valley School District. We also understand that our permission may be withdrawn at any time by notifying the school, in writing, effective upon the school's receipt thereof. It is also understood and acknowledged that the school district does provide bus transportation to and from the home school for all students attending Career Development Center (CDC) and Innovation Center (IC) classes.

Consistent with school policy, and for safety purposes, we **strongly recommend** that all students remain on campus throughout the entire school day (including lunch) or utilize district provided transportation to and from the CDC or IC.

Finally, we release the district, and agree to release and hold harmless, the district and its officials, administrators, employees and agents from any liability, damages, claims, judgments, losses or expenses, including attorney's fees, for any negligence and breach of warranty, personal injury, bodily injury, death or any other damage of any kind occurring during, or as the result of, the student being off campus.

NOTE: A Permission FORM to Leave School Grounds for Concurrent Education, Time and/or Lunch Release is required for each student requesting this privilege.
